Vacation Bible School Is Success

The Vacation Bible school held at the Christian church for two weeks came to a successful close last week with the attendance of eighty children ranging from two to twelve years. Mrs. Pearl Morris was the superintendent and Mrs. Ollie Humphrey was planist.

The boys manual training class under the direction of Mrs. Robert Compton, made fans, ducks, two-wheel wagons and then painted them. The girl's sewing class directed by Mrs. Albert Wiggins, Maxine Shelton and Bonnie Dunn made oil cloth aprons, fans and many clever and useful things. The children made notebooks on "Why They Liked Bible School." Other teachers were: Alice Estey, Pat McGuffin, Wayne McGuffin and Ben Whicker.

The children had charge of the Sunday services last Sunday.

HE'S A MILLIONAIRE

Show me the man
In the business pond
Whose word is always
As good as his bond,
And I'll show you a man,
Tho' he hasn't a dime,
Who is good for a million—
He pays on time.

When our word is given,
A promise is made;
If neglected or broken,
It casts a shade
On that jewel called credit;
And, understand—
That's the thing that Determines
Our faith in man.

A Friend

Honest men esteem and value nothing so much in this world as a real friend. Such a one is, as it were, another self, to whom we impart our most secret thoughts, who partakes of our joy, and comforts us in our affliction; add to this, that his company is an everlasting pleasure to us.

WHAT TO DO

If you're feelin' tired and blue, and don't know what to do, do nothin'. If your appetite's not right and your

waistband's gettin' tight, stop stuff-in'.

If your plans are all awry, and you feel you want to cry, go fishin'. If you can't see far ahead, and wish that you were dead, stop wishin'.

If you know you talk too much, and your neighbor's feelin's tough, stop talkin. If your nerves are all askew, there is one thing to do—go walkin'.

If you're runnin' into debt, and can't pay for what you get, stop buy-in'. If you'd like to reach the top, and are just about to stop, keep tryin'.

The Larger Life

How many persons we have known have worked hard all of their lives to acquire a nice home with all the conveniences to make their work easier, and then at the consummation of their task they have passed away; never receiving the benefits of their labors! Their material goal was set high and was reached, but what about their spiritual goal? Perhaps no such goal was set and none was reached.

Or perhaps one lives to reap the material benefits of his labors, but still he is not content. His life is unbalanced; his soul is starving for nourishment which only obedience to the Master can give.

The rewards of our spiritual labors will be reaped long after we have left the material behind. Spiritual labors embrace only good deeds and clean living, for if these things are not done in the name of Christ, they will be to no avail. They will benefit neither the doer nor the receiver. To lay up treasures in heaven, we ourselves must live a Christ-filled life, and also lead others to live a Christ-centered life.

"Only one life, 'twill soon be past;
Only what's done for Christ will last."

Rifle Bears Gain 12-6 Hard Fought Win Over Central

An inspired Central team, fired up for their annual Homecoming encounter bowed to the Rifle Bears 12 to 6 Wednesday after-theon.

Central nearly won a moral victory over Rifle when they held the huge visitors to a 6-6 deadlock for most of the game.

It looked like a runaway for Rifle when, with the game but four minutes old, Ted Ammerman, the Bears' big fulback, tossed a perfect pass to to End Lonnie Dixitanding in the end zone.

But Central refused to told, and using their star fullback, Everett Johnson, mostly in the decoy role, scored themselves just before the half on a pass from Quarterback Jim Wilson to Fullback Phil Stilson.

laif on a pass from Quarterback Jim Wilson to Fullback Phil Stilson.

Fumbles hurt both teams, occuring in the clutches time and time again. Both teams threatened consistently, but either a fumble or a penalty would turn the tide.

In the second half, both teams turned their highly regarded fullbacks loose, and it was Ted Ammerman, a standout on defense as well as offense, making the difference.

After long runs by Bill Rogers and Walt Yeakel had placed the aall on the Central 4 with but 20 seconds to go, Ammerman bulled his way into the end zone for the winning TD.

Ammerman attempted two conversions, and both were wide of the target.

Savage tackling highlighted the hard fought struggle with Central's Ben Whicker, Bill Baker and Frank Gregg sharing a goodly portion of the defensive and offensive load.

The sophomore-laden Rifle squad gave evidence of future greatness

offensive load.

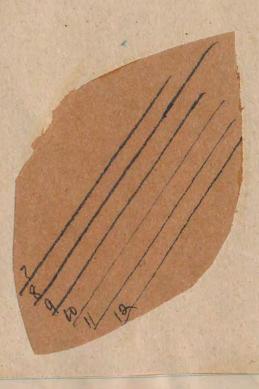

The sophomore-laden Rifle squad gave evidence of future greatness with a couple of hard running halfbacks leading the way. Both Walt Yeakel and Bill Rogers gained ground consistently.

But whenever a yard was needed, it was Ammerman who was ralled upon. The 200 pounder was also called upon to handle the passing chores.

ALL HAIL THE POWER

All hail the power of Jesus Name! Let Angels prostrate fall; Bring forth the royal diadem, And Crown Him Lord of all; Bring forth the royal diadem, And crown Him Lord of all!

O That with yonder sacred throng We at His feet may fall! We'll join the everlasting song. And Crown Him Lord of all! We'll join the everlasting song. And crown Him Lord of all!

STAND UP FOR JESUS

Stand up, stand up for Jesus, Ye soldiers of the cross. Light high his royal banner. It must not suffer loss; From victory unto victory. His army shall He lead, Till every foe is vanquished. And Christ is Lord indeed.

Stand up, stand up for Jesus, The strife will not be long. This day the noise of battle. The next, the victor's song; To him that overcometh, A crown of life shall be; He with the king of glory Shall reign eternally.

And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
Jayou can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the will which says to them: "Hold on";

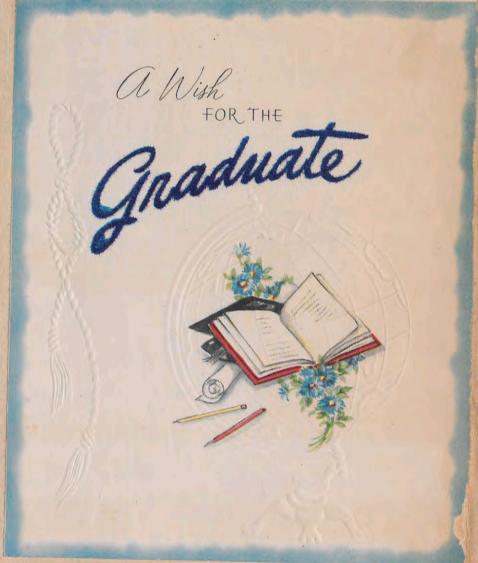

If you can talk with crowds and keep your virtue,
Or walk with kings -- nor lose the common touch;
If neither foes nor loving friends can hurt you;
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run -Yours is the Earth and everything that's in it,

To My Son By Mittie Bell Rupert

When you are up against it, sonny,
And you're feeling discontent;
When all your friends have left you
And you haven't got a cent,

Remember, little buddy,
You've a home always with me,
And your "Mom" is always waiting
Her little son to see.

You might be a judge or a lawyer, Or a doctor, some day, But you still will be my laddie Even when your hair is grey.

I love you, little Sonny,
And will do the best I can
To help you on your journey
To be an honest man.

To My Son

Do you know that your soul is of my

soul a part, That you seem to be the fiber and

core of my heart?

None other can pain me as you, dear, can do;

None other can please me or praise me as you.

Remember, the world will be quick with its blame,

If shadow or stain ever darken your name,

Like Mother, the Son, is the saying so true,

The world will judge largely of Mother by you.

Be this then, your task, if task it shall be,
To force this proud world to do

homage to me—
Be sure it will say, when its verdict

you've won,
"She reaps as she sowed; lo! this man
is her Son."

Mother.

Purcell Boxer Too Toughfor Fumes

Carbon monoxide fumes from a gasoline engine in a mine at Oronogo last week put Floyd King, 200-pounder of Purcell, down for a "nine-count," but failed to stop the tough husky who will go after heavyweight honors in the Golden Gloves amateur tournament here next month.

amateur tournament here next month.

King, one of approximately 180 scrappers of the district who have signed so far for the proposed three-night attraction at Memorial hall, was unconscious when they dragged him from the mine, but he soon rallied and would have returned to his job had his physician permitted it.

The heavyweight, shown at the right as a Globe-News Herald staff photographer caught him as he worked out for the tourney, is rated one of the outstanding fighters in the tournament.

Air Base Planes Logged 103,072 Hours in 1959

As the world's largest air-cargo terminal, Dover Air Force Base proved its capabilities as a MATS world-wide support base during 1958.

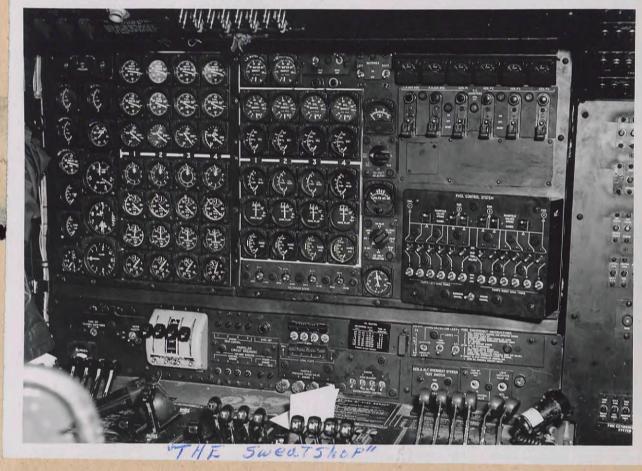

The 1607th Air Transport Wing, commanded by Brig. Gen. Robert J. Goewey, logged 103,072 hours flying time for the year - exceeding the 1957 mark by 2,480 hours, according to Maj. W. J. Turner, flight scheduling officer for the 1607th Air Transport Group.

Leading the C-124 squadrons was the 1st Air Transport Squadron with nearly 21,000 hours to its credit.

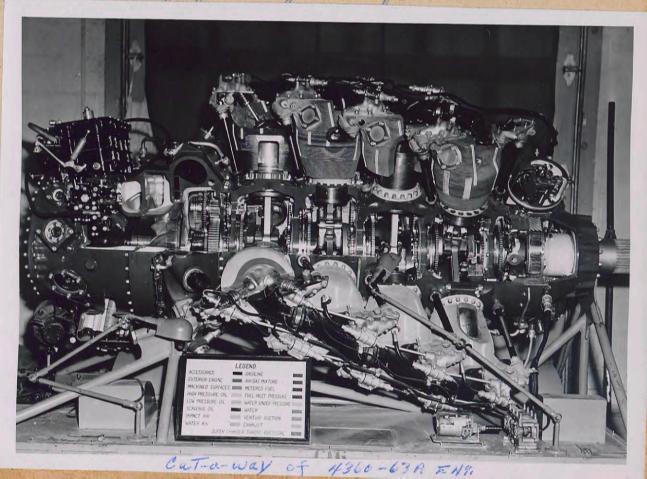

The 103,072 hours were recorded from 2,832 trips during the period. This includes scheduled, non-sche-

duled, support, training and special mission flights. Of the 2,832
trips, 1,946 were performed by
C-124 crews with the C-133 flyers
handling the remainder.

Runner-up to the 1st ATS was the 15th who logged close to 20,-000 hours.

Of the total hours flown the C124 squadrons racked up 97,092 as
compared tto 5,980 for the lone
C-133 squadron at Dover AFB.
Percentage wise the tabulations
are very close, considering that
the 39th ATS operated with an
average of six Cargomasters avilable during the year.
The 20th Air Transport Squadron

The 20th Air Transport Squadron took third place honors logging over 19,500 hours, followed by the 31st ATS with 19,000. The 40th ATS finished last in the Air Transport Group standings with a respectable figure just under 19,000 flying hours. There was barely over 2,000 hours between first and last place.

Special missions played a very important part in Dover AFB's workload for 1958. Final tally for 1958 revealed that the 1607th Air Transport Wing handled 82 special missions. Special missions in-

FOOT-PATH TO PEACE

O BE glad of life because it gives you the chance to love and to work and to play and to look up at the stars; to be satisfied with your

possessions, but not contented with your-self until you have made the best of them; to despise nothing in the world except falsehood and meanness, and to fear nothing except cowardice; to be governed by your admirations rather than by your disgusts; to covet nothing that is your neighbor's except his kindness of heart and gentleness of manners; to think seldom of your enemies, often of your friends, and every day of Christ; and to spend as much time as you can, with body and with spirit, in God's out-of-doors — these are little guide-posts on the foot-path to peace.

VAN DYKE

COMPLIMENTS OF GEO. W. OLINGER DENVER, COLO., U.S.A.

THE PENALTY OF LEADERSHIP

+ + + +

N EVERY FIELD of human endeavor, he that is first must perpetually live in the white light of publicity. (Whether the leadership is vested in a man or in a manufactured product, emulation and envy are ever at work. (In art, in literature, in music, in industry, the reward and the punishment are always the same. The reward is widespread recognition; the punishment, fierce denial and detraction. (When a man's work becomes a standard for the whole world, it also becomes a target for the shafts of the envious few. (If his work be merely mediocre, he will be left severely alone-if he achieve a masterpiece, it will set a million tongues a-wagging. CJealousy does not protrude its forked tongue at the artist who produces a commonplace painting. (Whatsoever you write, or paint, or play, or sing, or build, no one will strive to surpass or to slander you, unless your work be stamped with the seal of genius. (Long, long after a great work or a good work has been done, those who are disappointed or envious continue to cry out that it cannot be done. (Spiteful little voices in the domain of art were raised against our own Whistler as a mountebank, long after the big world had acclaimed him its greatest artistic genius. Multitudes flocked to Bayreuth to worship at the musical shrine of Wagner, while the little group of those whom he had dethroned and displaced argued angrily that he was no musician at all. (The little world continued to protest that Fulton could never build a steamboat, while the big world flocked to the river banks to see his boat steam by. OThe leader is assailed because he is a leader, and the effort to equal him is merely added proof of that leadership. (Failing to equal or to excel, the follower seeks to depreciate and to destroy-but only confirms once more the superiority of that which he strives to supplant. (There is nothing new in this. (It is as old as the world and as old as the human passions—envy, fear, greed, ambition, and the desire to surpass. (And it all avails nothing. If the leader truly leads, he remains—the leader. Master-poet, master-painter, masterworkman, each in his turn assailed, and each holds his laurels through the ages. (That which is good or great makes itself known, no matter how loud the clamor of denial. That which deserves to live-lives.

DEATH SEPARATES QUINTS—The death in St. Agathe, Quebec, Friday of Emilie Dionne, center background, separated the famed Dionne quintuplets. Epileptic Stroke is Cause of Death of Emilie Dionne

MONTREAL & — An epileptic stroke caused the death of Emilie Dionne, one of the famed Callander, Ont., quintuplets, Dr. Rosario Fontaine announced following an autopsy Saturday.

Dr. Fontaine, Quebec's leading medico-legal expert, said the girl, who died after three strokes Friday in Ste. Agathe, Que., had suffered from epilepsy for some time.

"The epileptic stroke was The body was moved immedi-

fered from epilepsy for some time.

"The epileptic stroke was brought up by pulmonary congestion, particularly in the pituitary gland in the brain," the doctor, said after a 1¾-hour autopsy.

The autopsy was described as a prominence of the 20-year-old girl, and the fact no doctor was present when she succumbed. She died at Ste, Agathe Hostel for old folks and retired Roman Catholic clergy-men.

Dr. Fontaine completed the autopsy at 10:15 a.m. He immediately conferred with Mr. and Mrs. Maurice Girouard, elder sister and brother-in-law of Emilie and the other quintuplets.

"The girl suffered a stroke and has suffered from epilepsy for some time," Dr. Fontaine said. "The pituitary gland was congested and enlarged as well as the thyroid and adrenal glands.

"They were enlarged beyond nor-mal size.

"So, you can see the cause of death was very natural."

Dr. Fontaine's announcement was the first official word that

THINGS

Possession surely comfort brings,
But I don't put my trust in
things.
I'm fond of books, but books
alone,
I'd say, are not enough to own.
The day's task done, when home
I go,
I want someone to say: "Hello!"

I don't go home the chairs to see. I can't take them upon my knee. I like the pictures on the wall Or they would not be there at all. But they don't run to greet me when I walk the path to home again.

With all the things I own I'd miss
The good-bye and the welcome
kiss.
That grand plano, fine to see,
No love has ever shown for me.
Home, filled with treasures,
would be bare
Without the loved ones waiting
there.

All hail the power of Jesus Name! Let Angels prostrate fall; Bring forth the royal diadem, And Crown Him Lord of all; Bring forth the royal diadem, And crown Him Lord of all!

BEN WHICKER (and Rhea Mae Clodfelter Whicker) Dear Mr. Scates,

As you probably know we are living in Rantoul, Ill. while I am attending Flight Engineer School at Chanute Air Force Base. I will graduate from here approximately June 22nd and then go to Randolph A.F.B. in Texas to take my flight training.

This is a lot better country than most of Texas but we miss good old Colorado and its mountains very much. Sorry we cannot attend the Banquet of Memories, but we will be thinking of the college and all it stands for. We sincerely hope that it continues its great service to our Lord.

Service life isn't what its cracked up to be, but I guess if a free people are going to stay free they are going to have to stand up for their rights. I pray that some day soon there will be a complete peace on this earth, and all men will live in harmony with one another.

We have been attending the Christian Church here in Rantoul. They have a young minister, Mr. Scarbeary, who reminds us a lot of Dave ... Hope you are well and that I.B.C. continues to grow and produce leaders for the church.

> Sincerely, Ben Whicker and Family, A2/C 502 South Chandler, Apt. B Rantoul, Ill. The same of the sa

RUBY ALLEN (Mrs. Ed Shaw)

Dear Bible College Friends,

I'll just write a line to let you know that all four of us are well and happy. Ed is still working in the laboratory at the Vets Hospital; Capol is four years old, and Marylin is two. I am busy keeping house and chasing after our two little girls. We still live at Clifton and would be more than pleased to have any of you drop in and see us. Write us a line if you can not come to see us. I often think of the pleasant years I spent at I.B.C. and how much it and the friends I made there mean to me.

Love in Christ, Ruby Allen Shaw

LOUISE MORRIS (Mrs. Glen Johnson) Dear Mr. Scates:

I haven't written to anyone there at all so I suppose that I should begin by saying that I am married to a student minister who is in his second year of seminary now. We have two girls, Karen, who was two in December, and Janet was born in September. At the present we are serving the church at Mutual, Oklahoma. We have a parsonage there so we can go out to Mutual on Friday and come back to Enid on Monday. This summer we will move there and live on the field returning to Enid in time for school in the fall. The church has a membership of 150 and the attendance runs around 100. We have just finished serving the church at Bluff City, Kansas for the past two years.

We like Phillips very much, but the weather is another matter. Mutual seems to be in the area that is often alerted for tornados and the alerts so far have been on Saturday nights which makes for uneasy sleeping. There are several of the IBC Alumni here now and we see Lucille Heald Maxson and her husband quite often. We have had one get-together at Aunt Pearl Morris' in March and that is the only official meeting we have had. Besides these friends there is a large group of NCC-ites here so Oklahoma has not

been so far from home as we had thought it might be.

My folks are serving the church at Torrington, Wyoming now. Dad sells insurance three days a week since the church is too small to support a full time man. Lois graduated from high school this week and is planning to go to NCC at Eugene, Oregon next fall. Don is still stationed just 80 miles from the folks at Cheyenne..... Aunt Pearl is still working in the cafeteria at Clay Hall and Tommy is on a ranch at Stillwater. Phyllis is married, has a daughter born in June and lives at Medicine Lodge, Kansas.

We don't have any snapshots to send you. We have a 35mm slide camera and most of our pictures are on slides. I am looking forward to having a copy of the paper with the news about I.B.C. doings. Of course it is impossible for us to be at the Banquet of Memories. I would love to come. Our best to all of you, may God bless you and guide the leaders of the college in the years to come.

Yours in Christ, Louise Morris Johnson Box 2184 University Station, Enid

The Scates Family wish to place emphasis on the ETERNAL things of the SPIRIT rather than the temporary earthly tabernacle - the body.

We wish to stress firm faith in God's love and our confidence in the Christian's hope. Richard Scates became a Christian at Montrose, Colorado, in 1942 and volunteered as a Life Recruit for Missionary Service on Grand Mesa at a Youth Conference a few years later.

The family wish to express sincere appreciation for all the gifts and kindnesses rendered in the past few weeks of Richard's illness and since his departure. In the short time available we have endeavored to notify as many as possible of our preference for a Memorial rather than the customary floral offerings. Since Dick was an avid reader and student we are sponsoring a shelf of books in the library of Central High School. These books, properly inscribed, will be presented to the high school later this spring.

Since Dick desired to be a Missionary, a shelf of Missionary books will be sponsored by the family at Intermountain Bible College. Anyone interested in sharing in either of these memorials may consult with Mrs. Earl Heald, Librarian for both institutions.

a Tribute to Dickie Hords are inadequate to express our heartfelt tribute to our beloved, fellow class mate, life recruit member and friend. But we know our lives have been made richer three our associations with him and his memory will always stand out in our memory as a living monument to challenge us to the finer - nobler things of life. It did not live to see the ful fillement of his dreams of becoming a mission fillment of his dreams of becoming a mission fary for Johich he had consecrated his life of the form of the second to the life of the second to the second to the life of the second to the second to the life of the second to the life of the second to the life of the second to the second His few short years were devoted to the cause in which he believed Duckie lived his christian life -He gave of his talents, time + strength. He truly was a loyal christian soldier remembering his creator in the days of his youth and giving of his best to the master as has been said of military soldiers so it can truly be said of Dickie as a christian soldiel he gave his last full measure of devotion. and as President of the Christian Endeavor he exemplified their slogan in his personal layalty to Christ and the church.
