**"A HERO IS SOMEONE WHO HAS GIVEN HIS OR HER LIFE TO
SOMETHING BIGGER THAN ONESELF." -JOSEPH CAMPBELL**

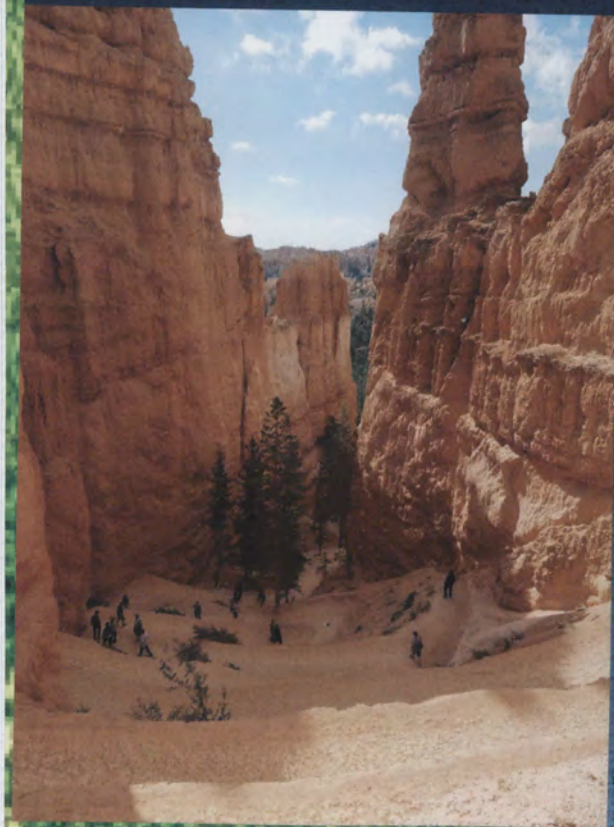

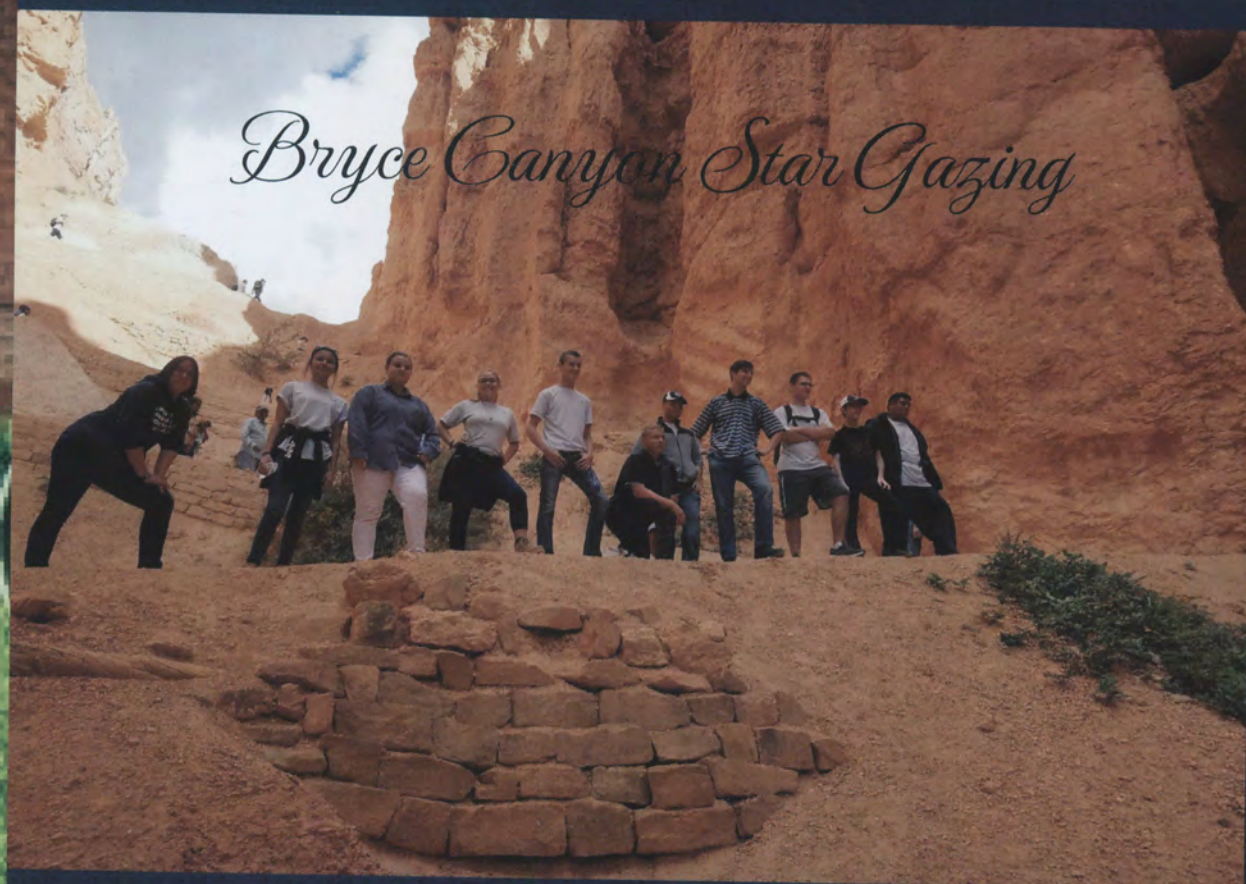

A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. He does not set out to be a leader, but becomes one by the equality of his actions and the integrity of his intent. -Douglas MacArthur

Colonel Whicker, thank you for being our leader and our hero.

AMAZING ADVENTURE WITH YOU!

Dear Colonel Whicker

My kids, all three of ~~them~~ have really been benefited, guided, energized and set straight by this program. Haley had nowhere to use her "bossiness" except at our house. Now she can change that into "leadership" and learn the difference between those two concepts. She had "led" many kids into the program as well (okay, "bossed"). She is determined to join the Air Force and be a surgeon. David has changed from a dreamer to a doer. He never would have thought of joining the military without the excitement of being in JROTC. He is attached to the Army aviation support center in West Jordan with the Utah National Guard. My son Joseph has something to look forward to to be involved in JROTC when he is a 9th grader.

Thankyou Thankyou Thankyou
